EDUCATION

Doctor of Philosophy (PhD)

Boğaziçi University

Institute of Environmental Sciences, Environmental Technology

Dissertation Title: Recycling of Waste Plastics via Pyrolysis

Dissertation Advisor(s): Supervised by Prof.Dr. Kriton Curi, Prof. Dr. Erol Guler
and co-supervised by Prof. Dr. Ekrem Ekinci

1998

Turkey

Master of Science (MSc)

Boğaziçi University

Institute of Environmental Sciences, Environmental Technology

Dissertation Title: Wind Induced Circulations of the Black Sea

Dissertation Advisor(s): Prof. Dr. Orhan Yenigün

1993

Turkey

Bachelor of Science (BSc)

Istanbul Technical University

Faculty of Chemical and Metallurgical Engineering Faculty

Major: Chemical Engineering

1991

Turkey

RESEARCH INTERESTS

- Integrated approach for resource conservation, energy, fuel and value added chemical recovery from industrial wastes and agricultural residues.
- Environmental sustainability applications for agricultural and industrial products in terms of life cycle assessment.
- Region based environmental sustainability assessment.

WORK EXPERIENCE

Lecturer Boğaziçi University, Institute of Environmental Sciences	2002 - present <i>Istanbul, Turkey</i>
Coordinator Boğaziçi University, Sustainable and Green Campus Program	2013 - present <i>Istanbul, Turkey</i>
Director United Nations Sustainable Development Solutions Network Turkey (UNSDSN Turkey)	2019 - 2020 <i>Istanbul, Turkey</i>
Co-Chair for UNSDSN Network Turkey Youth Representative	2015 - 2019 <i>Istanbul, Turkey</i>
Founder and Director Boğaziçi University, Sustainable Development and Cleaner Production Center	2007 - present <i>Istanbul, Turkey</i>
Director Boğaziçi University, Environmental Ethics Committee	2011 - 2013 <i>Istanbul, Turkey</i>
Visiting Professor Technical University of Denmark, Institute for Product Development	1999 - 2001 <i>Lyngby, Denmark</i>
Senior Scientist The Scientific and Technological Research Council of Turkey (TUBITAK-MRC), Energy Systems and Environmental Research Institute	1998 - 2000 <i>Kocaeli, Turkey</i>
Scientist The Scientific and Technological Research Council of Turkey (TUBITAK-MRC), Energy Systems and Environmental Research Institute	1996 - 1998 <i>Kocaeli, Turkey</i>

Visiting Scientist
Strathclyde University,
Pure and Applied Chemistry Department

1996 - 1997
Glasgow, Scotland

Research Assistant
Boğaziçi University, Institute of Environmental Sciences

1991 - 1996
Istanbul, Turkey

TEACHING EXPERIENCE

Undergraduate Courses, Boğaziçi University, Institute of Environmental Sciences

ESC 301 – Environmental Dimensions
ESC 351 - Sustainable Development

Graduate Courses, Boğaziçi University, Institute of Environmental Sciences

ESC 500 - On-site Training
ESC 502 - Principles of Environmental Pollution
ESC 509 - Resource Conservation for Fuel, Energy and Chemicals
(*Former name: Energy and Environment*)
ESC 568 - Pollution Prevention Assessment (Ecodesign, LCA)
ESC 572 - Global Environmental Systems
ESC 579 - Graduate Seminar

- Chapter Editor, “Turkish Environment Diplomacy” Book, August 2020- .
- Project Coordinator, “LCA and Eco-Labeling Criteria Development for Personal Care and Cosmetics Products” supported and coordinated by Ministry of Environment and Urbanisation, June 2020-June 2021.
- Project Partner, ‘Development of the Technical and Administrative Foundation for Turkish National Life Cycle Assessment Database”, supported and coordinated by Ministry of Science, Industry and Technology, October 2017 – November 2018 (*finalized for Boğaziçi University team because of various barriers with TÜBİTAK-MRC*)
- Project Frame Founder for “Development of Turkish National Database on Life Cycle Assessment” for the Assessment of Ministry of Science, Industry and Technology, sponsored by Boğaziçi University (2014-2017).
- Project Coordinator, “Sustainable Production and Consumption Indicators of UN-SDGs”, sponsored by Ministry of Development and ESCARUS, 2017.
- Project Coordinator, “LCA Interpretation for Selected Ceramic, Stainless Steel and Polymer Products” sponsored by Eczacıbaşı, Innovation Department, 2016-2018.
- Project Coordinator, “Water Governance Mapping Report: Textile Industry Water Use in Turkey”, sponsored by SIWI (Sweden Textile Water Initiative), June 2016-February 2017.
- Project Coordinator, “LCA Interpretation for Selected Haircare Products” sponsored by Unilever, 2014-2016.
- Project Coordinator, “Development of a National Eco-Labeling Approach for Cosmetics and Personal Care Products and Establishment of an Information Transfer Platform”, supported by Istanbul Development Agency (ISTKA), October 2015 – September 2016.

- Project Partner, “Development of Biofuel Platform in Istanbul for Renewable Energy Production; KUBIP”, supported by Istanbul Development Agency (ISTKA) in partnership, coordinated by Koc University Engineering Faculty, September 2014 – August2015.
- Project Coordinator, “Structure Development for Effective Medical Waste and Hazardous Waste Management System” supported by HEAT Information Technologies, December 2013-February 2014.
- Project Coordinator, “By-Product Utilization Opportunities from Pre-treatment and Fermentation Processes of Selected Agricultural Residues”, supported by Boğaziçi University Scientific Research Projects, March 2013 – March2015.
- Project Partner, “Middle East and North Africa (MENA) CEO Platform Development for Green Growth”, supported by REC-Hungaria and The Ministry for the Environment, Land and Sea of Italy, June 2013 – December2013.
- Project Coordinator, “Plants For People – Defense Against Indoor Air Pollution”, supported by EDEN Zirai ve Tic. Ltd. Sti, October 2013- January 2014.
- Project Partner, “University Educators for Sustainable Development (UE4SD)”, The European Commission under the Life Long Learning Programme – Erasmus Academic Networks, October 2013-present
- Project Coordinator, “Covenant of Mayor Sustainable Energy Action Plan (SEAP) Development for Selected Municipality Kadikoy”, supported by Municipality of Kadikoy, April 2013-July 2013.
- Project Coordinator, “Covenant of Mayors and Life Cycle Assessment for Selected Buildings of Kadikoy Municipality”, supported by Municipality of Kadikoy, April 2013- April 2014.
- Project Coordinator, “Investigation of Carbon Footprint for Boğaziçi University”, supported by Boğaziçi University Scientific Research Projects, October 2011- October 2012.
- Project Partner, “Boğaziçi University Hamlin Hall LEED Certification Green Building Project”, supported by Boğaziçi University Rectorate, January 2010 – May2012.
- Project Partner, “Eco-Buildings as a Part of a Low Carbon Solution (Phase 1)”, supported by Italian Ministry for the Environment Land and Sea, March 2011 – June 2011.

- Project Partner, “Eco-Buildings as a Part of a Low Carbon Solution (Phase 2)”, supported by Italian Ministry for the Environment Land and Sea, September 2011 – December 2011.
- Project Partner, “Integration of Eco-Region Concepts for Akyaka”, Turkey supported by The Ministry for The Environment, Land and Sea of Italy, September 2011.
- Project Partner, “Green Production and Clean Future Project”, supported by Istanbul Development Agency, coordinated by Istanbul Chemicals and Chemical Products Exporters Association, February 2013- January 2014.
- Project Partner, “GRECO Initiative, Assessment of the State of Cleaner Production in Selected Industries in Turkey”, supported by the Regional Activity Centre for Cleaner Production (CP/RAC) under the United Nations Environment Programme - Mediterranean Action Plan, June 2011 – December 2011.
- Project Partner, “Vision 2050 Turkey: Projected Consumption Habits, Energy and Resource Efficiency”, supported by Turkish Industry and Business Association (TUSIAD), June 2011–September 2011.
- Project Coordinator, “Bioethanol Production from Agricultural Wastes for Waste Minimization and Carbon Budget Analysis” supported by TUBITAK 1001 Projects, May 2011- August 2015.
- Project Coordinator, “Carbon Analysis with Bioethanol Production from Agricultural Residues”, supported by Boğaziçi University Scientific Research Projects Coordination, August 2010 – August2014.
- Project Coordinator, “Life Cycle Assessment for Selected Laundry products of Unilever Turkey”, supported by Unilever Turkey, July 2009 – March2011.
- Project Coordinator, “An Integrated Environmental Life Cycle Assessment and Life Cycle Costing Analysis of Agricultural Waste And Residue Based Bioethanol as an Alternative Transportation Fuel”, supported by Boğaziçi University, Scientific Research Projects Coordination, May 2009 – June2011.
- Project Coordinator, “Strategic Planning for Cleaner Energy Production in the City of Istanbul via Utilisation of Biomass for Energy and Transportation Issues”, supported by Boğaziçi University Scientific Research Projects Coordination, August 2004 – January2009.
- National Coordinator, “Promotion, Demonstration and Development of Sustainable Environmental Technologies for SMEs (PRODESTS)”, coordinated by VITO, Belgium, supported by EU Sixth Framework Programme, April 2004 – April2006.

- Project Coordinator, “Development of Life Cycle Assessment Methodology for Glassware Products and Comparison of the Results for the Selected Software Packages”, supported by Boğaziçi University Scientific Research Projects Coordination, August 2003-July 2004.
- Project Coordinator, “Development of a Decision Support Tool for Life Cycle Assessment of Plastic Waste Disposal Processes” supported by Boğaziçi University Scientific Research Projects Coordination, April 2002 – June 2003.
- Project Coordinator, “Management of Manure”, TUBITAK-MRC-ESERI supported by Republic of Turkey Ministry of Environment, September 2000 – November 2001.
- Project Coordinator, “Thermolysis of Solid Residues from Olive Oil Industry”, supported by Scientific and Technological Cooperation between Turkey and Germany (Julich), June 1999 – June 2002.
- Project Coordinator, “On-line Surveying of Multiple Automatic Analysing Stations for Improving Wastewater Management and Environment in Textile Industry”, EUREKA Project, TUBITAK-MRC, Altinyildiz Textile And Apparel Inc., Centro Technologico Das Industrias Texteis E Do Vestuario De Portugal, February 1999 – December 2001.

ACTIVITIES

- Speaker on “Sustainable University Campus Applications for Boğaziçi University” for dissemination of Green Campus concept at 19 Mayıs University, İnönü University, Ege University, Municipalities and at various Foundations’ and Associations’ Conferences, (2015-2019).
- Coordinator, “e-learning on Sustainable Development for Turkish Universities”, sponsored by Unilever, Boğaziçi University, 2016-2018.
- Moderator, “Electronic Wastes and their Management by Certified Bodies”, Ministry of Environment and Urbanization, TÜBİSAD, Boğaziçi University, February, 2016.
- Moderator, “SDSN Youth | Turkey’s Lunch and Forum with Prof. Jeffrey Sachs”, The Sustainable Development Goals in the G20 Countries Conference, Boğaziçi University, Istanbul, Turkey, November 2015.
- Moderator, “Life Cycle Assessment Applications in Turkey”, 5th National Productivity Congress, Ankara, October 2015.
- National representative, Sixth Meeting of the SDSN Leadership Council, Paris, France, June 2015.
- Expert for Unilever Sustainable Living Plan, “Roundtable on Sustainable Agriculture”, Istanbul, Turkey, May 2015.
- Panelist, on “Sustainable Development Goals and Indicators for OECD Countries: Indicators and Thresholds Workshop; UNSDSN, Paris, France, April 2015.

- Panelist, “International Conference on Sustainable Development Practice” Leadership Council, UNSDSN, Columbia University, New York, USA, 2014.
- National Expert, Speaker, “Roadmap for Turkish National LCA Database Development”, “3rd International Meeting on Intergovernmental Cooperation on LCA”, organized by US EPA, US DA and UNEP, Washington DC, USA, 2014.
- Expert for “Eco-Innovation Guideline Development Workshop”, organized by UNEP and Denmark Technical University (DTU), Prague, Czech Republic, 2014.
- Moderator, UNSDSN-Turkey Launching, “Panel on Green Campus”, Boğaziçi University, Istanbul, Turkey, June 2014.
- Expert, “Roundtable on Sustainable Tea Production”, Unilever Sustainable Living Plan, Unilever, Istanbul, Turkey, May 2014.
- Expert contribution for “1st Meeting on Opportunities and Challenges for a National LCA Platform and a National LCA Database in Turkey”, organized by Ministry of Science, Industry and Technology, November 2013.
- Lecturer, Sustainable Development Academy, “Sustainable Life Style Concept for University Students”, Sustainable Development Academy, organized by Italian Ministry Land, Sea and Environment. Venice International University (VIU), Venice, Italy, July 2013.
- Lecturer, “Sustainability Living Laboratories: Resilience and Sustainability of Municipalities, Global Green Economy”, Sustainable Development Academy, organized by Italian Ministry Land, Sea and Environment and Regional Environment Center (REC), Venice International University (VIU), Italy, November –December 2012.
- Expert for the National Report Preparation of the Rio+20, for Ministry of Development for United Nations Conference on Sustainable Development (UNCSD), Brazil, June 2012.
- Speaker, “Sustainable University and Green Campus”, organized by Higher Education Council of Turkey (YÖK), Istanbul Sabahattin Zaim University, Istanbul, Turkey, April 2012.
- Speaker, “Sustainable Life Styles for Young Generations”, Global Human Development Forum, supported by United Nations, Istanbul, Turkey, March 2012.
- Speaker, “MED TEST Regional Workshop”, MAP-RAC/CP in cooperation with Exima and Boğaziçi University, Istanbul, Turkey, May 2012.
- Moderator, Foresight Global Environment Migration Med Workshop, Boğaziçi University, Istanbul, Turkey, February 2011.
- Panelist, “Understanding Sustainable Development”, The Turkish Foundation for Combating Soil Erosion, for Reforestation and the Protection of Natural Habitats (TEMA), Istanbul, Turkey, March 2010.
- Speaker, “Sustainable Consumption and Cleaner Production for Turkey”, Closing Ceremony for 6th Environmental Management for Sustainable Universities (EMSU) and 14th European Roundtable for Sustainable Production and Consumption (ERSCP), Delft University, Delft, Netherlands, October 2010.
- Speaker, “Sustainable Green Campus Applications”, Cooperation on Environmental Protection for Sustainable Development in Black Sea and Caspian International Conference within the framework of 5th World Water Forum, Istanbul, Turkey, March 2009.
- Expert for “Sustainable World for Children” activity, UNICEF, Istanbul, Turkey, 2006.

ORGANIZER & CHAIRPERSON

- Organization Committee Member, “International Conference on Biofuels and Microalgae”, Koc University, supported by Istanbul Development Agency (ISTKA), Istanbul, Turkey, July 2015.
- Chairperson for the Workshop “Global Guidance Principles for LCA Data and Databases, LCA Case Studies in Turkey, Barriers & Key Challenges”, UNEP Life Cycle Initiatives and SETAC, Boğaziçi University, BU-SDCPC, Istanbul, Turkey, February 2015.
- Organization Committee Member, Sustainable Production Workshop: Life Cycle Assessment and Energy Productivity in Industry, organized by Turkish Ministry of Science, Industry and Technology and BU-SDCPC, Boğaziçi University, Turkey, December 2014.
- Moderator, “LCA Methodology and SoFi Software Training”, PE-Consultants, BU-SDCPC, Boğaziçi University, Istanbul, Turkey, September 2013.
- Chairperson for the Conference “7th Environmental Management for Sustainable Universities (EMSU) and 16th European Roundtable on Sustainable Production and Consumption (ERSCP)”, Boğaziçi University, BU-SDCPC, Istanbul, Turkey, June 4-7, 2013.
- Chairperson, “SMART Start-Up Green Entrepreneurship”, BU-SDCPC in collaboration with Regional Activity Centre for Cleaner Production (CP/RAC), UNEP Mediterranean Action Plan (MAP), UNEP/Wuppertal Institute Collaborating Centre on Sustainable Consumption and Production (CSCP), Boğaziçi University, Istanbul, Turkey, February 2012.
- “Green Entrepreneurship Certificate Program”, BU-SDCPC in cooperation with Mediterranean Action Plan - CP/RAC, UNEP/Wuppertal Institute for SPC, February 2012.
- Organization Committee Member, A series of Certificate Programme on “Sustainable Development”, BU-SDCPC in cooperation with Regional Environment Center (REC) and Boğaziçi University Life Long Learning Center (BUYEM), 2007 – 2012.
- “Eco-Building Solutions for Low Carbon Future”, BU-SDCPC in cooperation with Ministry for the Environment, Land and Sea of Italy, Regional Environmental Center Turkey (REC Turkey) and Turkish Green Building Council (CEDBIK), April 2011.

- “Environmental Management for Sustainable Universities”, Prof. Donald Huisingh Visiting from Lund University, International Institute for Industrial Environmental Economics”, BU-SDCPC, Boğaziçi University, Istanbul, Turkey, March 2011.
- “Corporate Sustainability Certificate Program”, BU-SDCPC in cooperation with Regional Environmental Center Turkey (REC Turkey), May-June 2010.
- “Dissemination of the Sustainability Reporting Application in Turkey”, BU-SDCPC in cooperation with CSR Consulting and Turkcell A.S., Boğaziçi University, Istanbul, October 2009.
- The Sustainability Reporting Training”, BU-SDCPC in cooperation with Regional Environmental Center (REC) and Global Reporting Initiative, İstanbul, Turkey, March 2009.
- Sustainable Environment and Productivity Summit, organized by Johnson Diversey, Electrolux, Grundfos, 2008.
- Organization of Preventive Environmental Protection Approaches in Europe (PREPARE) Cooperation Meeting, Boğaziçi University, Istanbul, Turkey, August 2007.
